

THETFORD FARM ESTATE

We have some exciting changes that will be happening here at The White Horse in the coming months.

The pub has always been an important part of Thetford Farm Estate, and as the estate grows there are changes coming into effect. As our estate pub, The White Horse needs to support this growth with key elements, including accommodation.

We will continue supporting our local community and enhance our offering to local events. We will be hosting all our usual community events and are looking forward to playing our part in making these a continued success.

What's happening....

The pub is closing from 2nd January for 8 weeks for refurbishment. Reopening at the beginning of March with more of a lounge vibe, providing the community with a contemporary, relaxed place to be and giving our corporate and wedding clients a lovely complementary space adding to their experience at the barn.

On the reopening of the pub in March we will be open from Wednesday – Sunday from 10am - 10pm.

We will be changing our food offering to align the barn and the pub with the same across both sites. Food will be available from the pub on an advanced booking basis, offering a more bespoke and personalised service.

We would like to thank you for supporting the pub and we are looking forward to welcoming you in 2025 as we turn the page on this new exciting chapter for the White Horse and the wider Estate.

If you have any questions or would like to meet up to discuss this in more detail, please do not hesitate to contact us.

With Best Wishes for 2025

Jo-Anne, Trina and Germaine
